It took a lot for me to write this email. I do not "lose" very well. I expect to win - always.

Silly me.

I want to thank you - I am blessed having you as friends and professional partners.

I need a moment to cleanse my mind.

Christian and Brendan -

Our days have been filled by refining and aligning on our strategy for the acquisition of Buy Buy Baby from the Bed Bath and Beyond estate.

There is a lot to like in Project Butterfly and the synergies for Go Global's portfolio of children's companies.

However, we have concluded that the brand has suffered material deterioration in the last year and during the going out of business process.

We want to personally thank Lazard for your availability to us at all hours and the outstanding efforts and cooperation from Patty Wu, Sue Gove and the entire team @ Alix Partners. True professionals.

Thank you and good luck on Wednesday.
